

### Warning

1. When using a new wire, fill the RTA and let it sit for 5 minutes before firing, so the cotton can absorb the e-liquid.
2. Refill the RTA before it becomes completely empty to avoid dry hits or burning.
3. When filling the RTA, close the bottom airflow completely.
4. Ensure the top cap is fully tightened before using.
5. Please read this manual carefully prior to using. We are not responsible for any damages caused intentionally or due to improper use.
6. Not intended for use by children under the age of 18, pregnant or breastfeeding women, or anyone at risk of cardiovascular disease.

TESLACIGS®

RTA

THE CARRATE® 24

### Specification

Dimension: 24\*31.5mm

Capacity: 2.5ML

Material: 304 stainless steel & heat-resistance glass & Japanese organic cotton & Clapton wire

Electrode: stainless steel

### Features
